

The screenshot shows a Quizlet dashboard for a unit titled "UNIT 3 DWDM MCW". The user's progress is displayed as 8/32 Rank and 13100 Score. A congratulatory message states, "Congrats, you're closer to 100% accuracy!". An accuracy bar shows 70% completion. Performance statistics for 30 questions are: 21 Correct, 9 Incorrect, 20 s time/question, and 8 Streak. A "Review Questions" section shows a question about the primary purpose of classification in data mining, with options "To visualize data" and "To categorize data into classes". The dashboard also features a "New modes launched" section with a "See new modes" button, a "Log in now" button, and a "Play mini games" section. A vertical sidebar on the right contains various icons and a "ONCE MORE" button.
